

2017 LCRD SUMMER CAMP INFORMATION LETTER

Welcome to the LCRD Summer Day Camp! The goal of this program is to provide a summer full of fun for each participant. There will be a great deal of emphasis on activities that promote physical fitness, education, and respect for others. **Please note that the LCRD Summer Day Camp is NOT licensed by the State of Georgia.**

Camp activities will include games, sports activities, crafts, swimming, and field trips. Campers will report to Shuman Recreation Center each morning starting Tuesday, May 30, between the hours of 7:30 and 9:30 a.m. and must be picked up each day no later than 6:00 p.m. at the same location.

The fee is \$75 per camper per week. This fee includes the cost for field trips and other entertainment. Campers may need additional money for snacks, souvenirs, etc, when on field trips. Fees for the upcoming week must be paid each Thursday to the Camp Director, or a late fee of \$10 will be assessed. The Camp Director must be advised in advance when campers will be absent in order to maintain their slot in the program.

Campers must bring a sack lunch each day, unless instructed otherwise. Campers may bring lunches that need to be heated, except for days that we will be away from the center during lunch. Parents must pay close attention to the weekly activity schedule that will inform you of activities in advance. Afternoon snack and drinks will be provided daily. If you know that your child does not like what is scheduled to be served, please pack them a snack.

A weekly calendar will be issued each Friday to provide a schedule of camp activities. All campers and staff will attend all field trips and activities. There will not be an option to remain at the Center while others participate in activities. A camp shirt will be issued to all campers signed up during trip weeks and this shirt **MUST** be worn on field trips.

Many activities will be conducted in the air conditioned comfort of the Shuman Recreation Center, however, campers should wear comfortable clothes suitable for outdoor activities. No open toe shoes allowed. Soft soled sneakers suitable for activities on the gym floor, must be worn each day. In addition, campers must bring a swim suit, towel, and sun screen each day that swimming activities are scheduled.

Campers may be registered for other summer programs offered by LCRD and the Day Camp staff will transport them to and from the activities. These programs include swim lessons, baseball camp, soccer camp, basketball camp, softball camp, golf team, tennis team, and weight training. Campers must be registered for these programs through the LCRD Office.

Should there be any disciplinary problems with campers, parents will be notified. Should these problems persist; campers will be removed from the program. If you need further assistance, see the Camp Director at the Shuman Recreation Center, 877-7557, or call the LCRD Director at 876-5343.
