LIBERTY VOLUNTEERS!

Each year hundreds of individuals volunteer their time at the Recreation Department to help make a difference in the quality of life in Liberty County. Most volunteer to coach the many youth sports teams formed each year. However, there are many improvements and expansions that could be made with the assistance of other volunteers.

If you would like to get involved in this community and positively influence the lives of others, consider volunteering your time, talent, and abilities at the Liberty County Recreation Department. For additional information, call 876-5359, or visit the LCRD Office at 607 Oglethorpe Highway.

COACHES NEEDED!

Volunteer coaches are needed for all youth sports programs.
Training will be provided.
