## **TRANSPORTATION REQUEST RULES**

1. Only bona-fide needs for transportation help are allowed. Requests may be denied if the two players involved in the request are among the top players in the league.
2. Participants may be granted one request for transportation. The same participant may not be involved in more than one request.
3. Siblings may be placed on the same team, if they are in the same league, but a particular team or coach may not be requested. This must be requested on the registration form.
4. This form must be signed by both parents and submitted to the LCRD Office prior to the registration deadline for this program.
